HEY Chick.

How's it? Well, I'd really like to be able to say that this year has been really wild, but I can't. I can say that it's been interesting, and that's about as far as I can go! (for know!) I really am gonna miss ya when I leave, so guess what? you're going to come out and stay. don't you like the way I tell you things. Oh well, I just want you to know I think you're a very special person, and you're going to go places. Which places I won't say! But there probably the same places I am going so we can keep each other company. I hope you have a jammin summer. I know I will, and we're gonna have a party before I go (k). Take care, or I'll kick your ASS. I love ya.

your
bud,
Andy

*They mean serious business
They don't mess around
They'll always be at the top
Where ever they are bound

Their superiority unreal
They have a deepening strength

They're true born leaders
They're respected with love
They make one wonder
What they're really made of
The love felt for them

ROBERT SWIFT JR.

MY FAVORITE QUOTE THIS YEAR AT THIS SCHOOL IS "RON-DA LYNN MACEDO" AND I WOULD LOVE TO DEDICATE THESE PHRASES TO HER "RHONDA, YOU ARE SO PRETTY AND YET SO YOUNG, THE OLDER YOU GET YOU'RE STILL NUMBER ONE." AND "THERE SHE SITS, MY BEAUTY AND LIGHT. THE LOVELIEST THING, THE PRETTIEST SIGHT." -I LOVE YOU RON-DA AND THANX FOR EVERYTHING BABE.

A Salute to our Graduating Seniors

Marshall's

200 years ago, our country was founded on man's fundamental right to be free and choose his own destiny. Today, as in the past, your youth, energy, optimism and determination will shape your own destiny and the destiny of America.

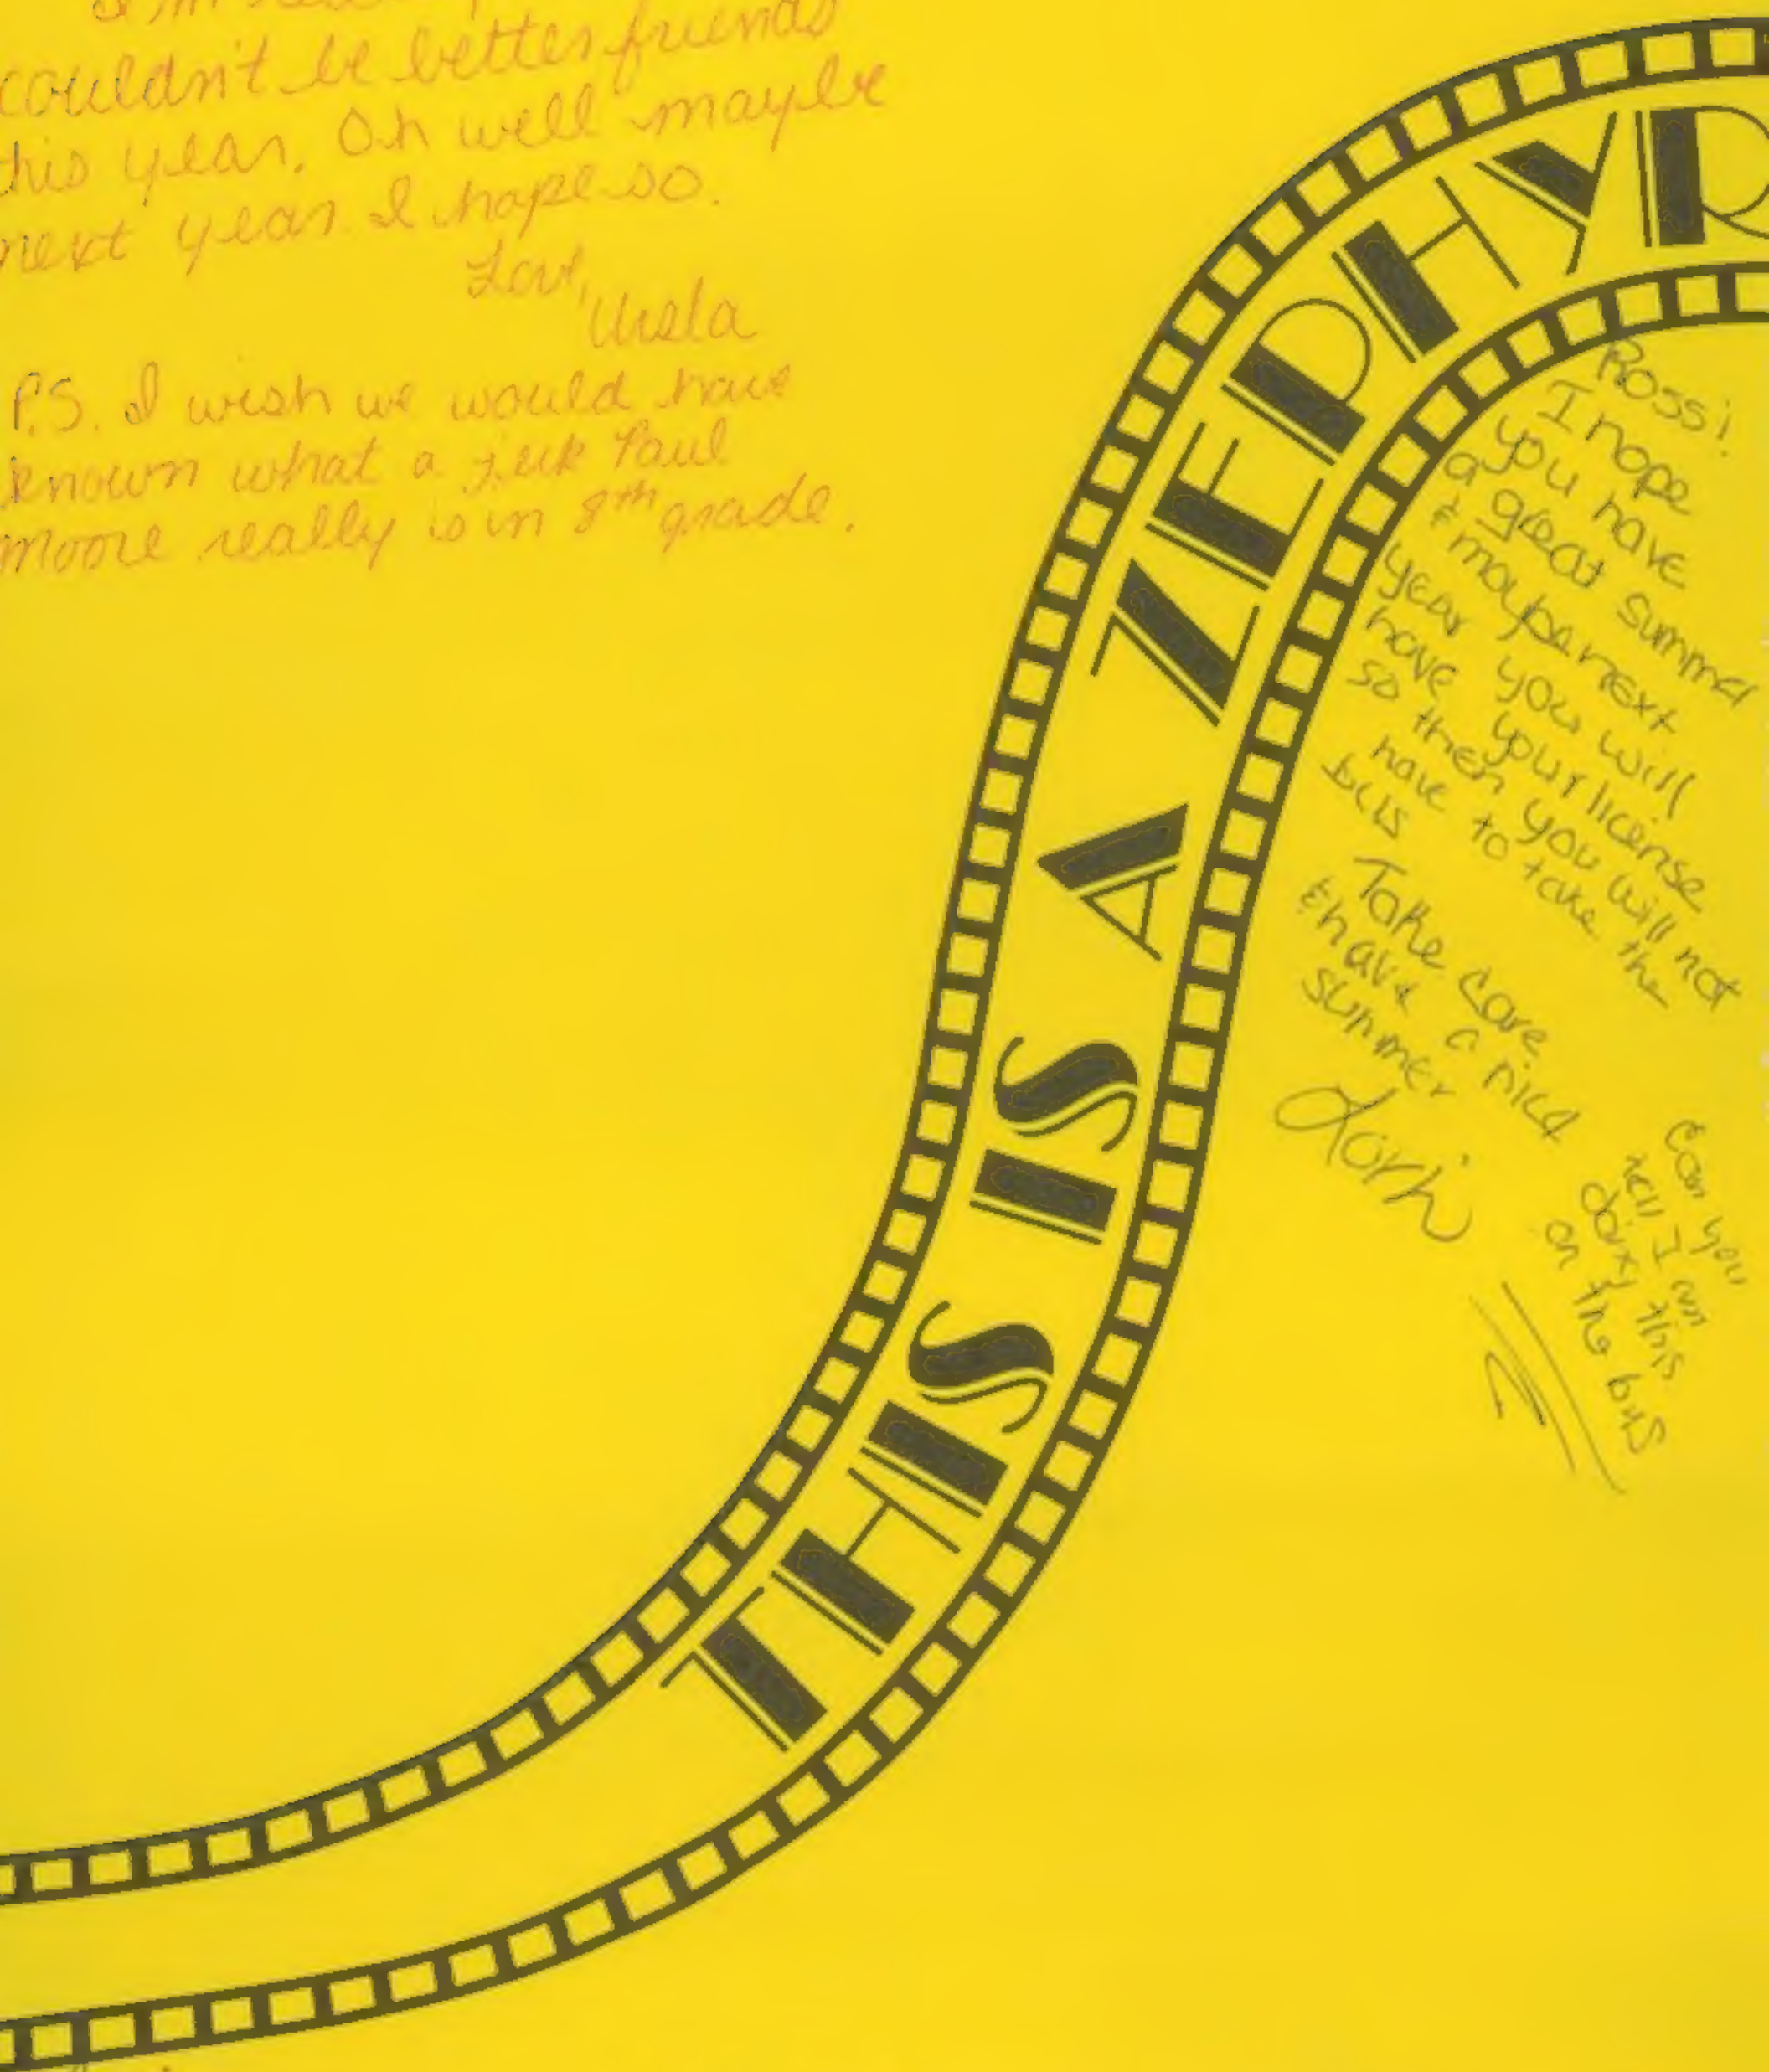

Marshall's looks forward to serving you in the future, both as a **MAJOR CONTRIBUTOR**
